Albany Couple to Celebrate 50th Anniversary

The Town and Gown Club in Berkeley will be the setting for a gala reception Sunday afternoon honoring Mr. and Mrs. William B. Fardig, of 802 Santa Fe Ave. on the occasion of the 50th wedding anniversary.

Some 150 friends and relatives will gather to congratulate the happy couple who exchanged their wedding vows on November 14, 1903, in Berkeley. On top of their three-tier anniversary cake will be the wedding hands used on the couple's wedding cake 50 years ago.

Mr. and Mrs. Fardig made their home in Berkeley for 30 years before moving to Albany 23 years ago. Mr. Fardig worked for the California Stevedore & Ballast Co. in San Francisco 43 years, retiring three years ago. He and his wife now divide their time between Albany and their summer cottage at Clear Lake Highlands.

The celebration is being planned by the couple's three daughters, Mrs. William McCullough of San Jose, Mrs. David Clapp of San Carlos, Mrs. Reynold Nelson of Albany, and three sons, Bernhardt of Lake County, Rudolph of Oakland and Edwin of Richmond. Also attending will be four grandchildren, Carol, Vicki, Vaughn and Jill Clapp of San Carlos.

Council Reaffirms Stand on Hill Issue

Mrs. Zahn Shuns Debate

Councilwoman Mrs. Kathie Zahn warned the Albany City Council Monday night that the East Bay Municipal Utility District has not abandoned its plan to slice away the top of Albany Hill as the site for a giant water reservoir.

The Council rejected Mrs. Zahn's suggestion that the EBMUD officials be invited to attend the next Council meeting to explain "precisely what plans the utility district has for the erection of a reservoir on the hill.

Mayor Lewis Howell reaffirmed the Council's stand taken last June in opposing the project and said that "everyone knows we haven't changed our minds." He added that "the Council has turned down the proposition once and would do it again."

Mrs. Zahn argued that "something should be done about the problem now to prevent its reoccurrence."

The Councilwoman said she received a recent letter from John W. McFarland, EBMUD general manager, which indicated the issue was still very much alive.

"May I start out now by saying very definitely that you must have misinterpreted our statement, because at no time has the utility district actually abandoned this project," McFarland said in his letter.

"Rather than that, it has been our intention to allow some time for tempers to cool on the subject, to give the matter further study and to work with the officials and citizens of the city of Albany to the end that a mutually satisfactory program can be consumated," the letter continued.

During the concluding portion of the short but hectic session, Councilman Jerome Blank challenged Mrs. Zahn to a debate on the subject: "Resolved, that the city of Albany replace its present antiquated city holdings by the construction of a modern civic center to be located on Solano Ave. between Evelyn and Masonic Aves."

At that time Mrs. Zahn excused herself from the chambers for a drink of water, returning just in time for adjournment.

She said later that she wouldn't "waste energy debating with Blank."

Blank promised to repeat his offer at each meeting until accepted.

'Children's Books' Is MacGregor PTA Topic

In keeping with National Book Week, "Children's Books" will be the subject discussed by Principal Charles Reed at a meeting of the MacGregor PTA, 8 p.m. Thursday. The meeting will be held in the school kindergarten room.

Refreshments will be served following the meeting under direction of Mrs. William Koser, tea hostess.

Mrs. Edgar Volz, president has announced the PTA recruited 155 members during its recent drive. Students in Mrs. Thelma Losh's class won the prize for enrolling the highest number of parents.

TV NEWS

By MILT BLANCHARD

If you've ever wondered why the audience on a radio or TV show seems to be more hysterical with laughter than you are, it's probably because of the audience "warm-up" that takes place before the show starts, designed to get the studio people in a happy frame of mind.

Jack Bailey, current emcee of "Queen for a Day," tells a story about his first radio show in which he was told to go out in front of the curtain and make the people laugh, to get them ready for the show. He did, and the audience screamed at his gags. There was only one trouble. Through the program that followed, the audience just sat on its hands and looked grim. Why? In the "warm-up," he had mistakenly read all the jokes from the script for the day's broadcast!

TViewers will see the most expensive turkey in captivity on an episode of the "I Married Joan" series. Joan Davis as a baffled cook stuffs the bird . . . only to have it suddenly explode. It cost $800 to rig up the tricky turkey. Even at today's high prices, that's something for the birds!

There are a lot of special shows coming up for the holidays . . . shows you won't want to miss. You won't miss a trick on TV if your set is working properly. Here are two points to remember when you buy a car!...

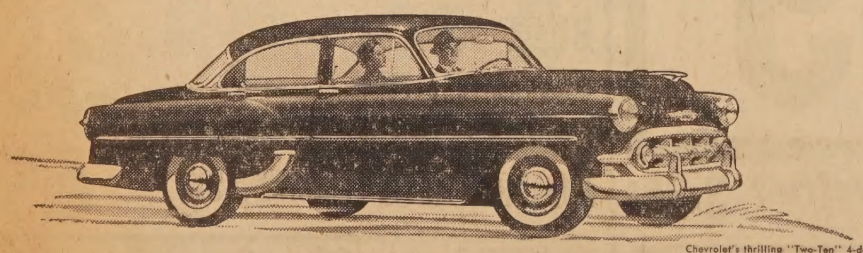
CHEVROLET VALUE is the HIGHEST | CHEVROLET PRICES are the LOWEST

of any line in its field!



Chevrolet's thrilling "Two-Ten" 4-door sedan. With 3 great new series, Chevrolet offers the widest choice of models in its field.

See it, drive it, and you'll know that it alone brings you all these features of highest-priced cars at the lowest prices and with such outstanding gasoline economy!

Yes, you get *more car* for *less money* in Chevrolet!

More beauty, inside and out, with the widest choice of body-types and colors in its field.

More driving thrills, with either of Chevrolet's two great high-compression Valve-in-Head engines!

More riding smoothness, more road-stability and more safety protection with this stronger, heavier, longer lasting car!

More value throughout, when you buy, while you drive, when you trade!

Come in; confirm these facts; and you'll choose Chevrolet . . . America's finest buy, America's most popular car!

Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine available on "Two-Ten" and Bel Air models . . . Power Steering and E-Z-Eye Plate Glass available on all models . . . at extra cost.

This Is a True Case History

I SAVED $116.86 ON THE CAR I BOUGHT

"I made over a 50% down payment on a late-model car. I was told it would cost me $257.50 to insure the car and finance the balance of $700.00. Lucky for me I'd talked to a State Farm agent first, because I used the Bank Plan instead and paid an insurance and financing charge of only $140.74. I saved $116.86." (*One of many actual cases.*)

Many People Assume Finance Rates Are Standard
THEY ARE NOT!

The Bank Plan offers you two proven money-saving methods. *Low-cost* financing through a nearby bank and *low-cost preferred-risk insurance rates.* Get your own figures on the cost of the car you want and COMPARE them with Bank Plan costs FIRST! Call or see your State Farm agent BEFORE you buy.

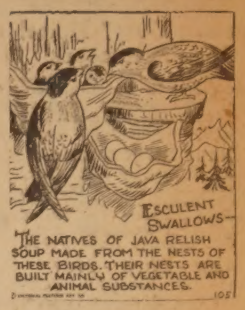
R-U-AWARE ?



R-U-AWARE that more WINE is consumed in November than in any other month of the year? The reason for this is that it has become almost traditional to have a good wine with your Thanksgiving Dinner. The most popular wine with your turkey has proven to be ROSE WINE.

R-U-AWARE that you should buy your WINE only from BEAR'S LIQUORS? . . . We are serious about this. No matter where you buy your liquor, it will be the same, but WINE is different. It MUST be kept LYING DOWN while in storage. It must be kept at the PROPER TEMPERATURE. The CORKS must be kept WET. LIGHT must NOT be allowed to hit the bottle. . . . Only at BEAR'S LIQUORS are these conditions met. That is why we say, no matter where you buy your liquor, you owe it to yourself to buy your wines from the
